### We are Modern.

There are so many reasons why you ought to trade at our drug store that there isn't room in this little advertisement to tell them all. One reason is that we are modern. We keep pace with new ideas and new conditions.

As fast as anything better than we have is invented, we secure it. As fast as we discover newer and purer and more desirable things, we take them up. But the old reasons are best of all—the reasons that have always governed us. These are: Reliability, Honesty, Promptness, Purity and Freshness of stocks.

The Best always—never the next best.

### Will on Soap.

Call back the dear dollars my pretty Janette. The dollars so recklessly spent. For big profit soap, then my darling, you bet. We can liquidate all our back rest. But to soap that say Will has taken a turn. That's broken the back of High Price. And soap we can buy by the dozen in bulk. And bath once a year—maybe twice.

No cheap drop-a-cent-in-the-bath and get-a-bath-keel-out kind, but good, honest, honest soap, pure soap and clean soap from the factory and from 25 to 50 per cent. less than regular price.

See my window.
